if you think ghosts are only responsible for hauntings think again the demonologist reveals the grave religious process behind supernatural events and how it can happen to you used as a text in seminaries and classrooms this is one book you can't put down for over five decades ed and loraine warren have been considered america's foremost experts on demonology and exorcism with over 3 000 investigations to their credit they reveal what actually breaks the peace in haunted houses expertly written by gerald daniel brittle a nonfiction writer with advanced degrees in literature and psychology specializing in mystical theology don't miss the warrens in the new movie the conjuring

this study seeks to demonstrate that exorcism deliverance ministry is an innately enthusiastic practice utilizing john knox's classic study of christian enthusiasm the twentieth century provides an ideal arena for such a study since it frames a complete lifecycle for this rite from

its infancy during the early decades through its heyday in the 1970s and 80s on to creeping routinisation by the end of the century two enthusiastic settings charismatic and evangelical fundamentalist are identified and examined as the environment in which two related streams of exorcism deliverance ministry was practiced finally enthusiastic sacramentalist exorcism is considered in order to establish the thesis that enthusiastic settings provide a conducive atmosphere for the emergence and practice of exorcism deliverance ministry attention is paid to historical factors within the charismatic and evangelical fundamentalist streams that underlie the development of this rite as a result important secondary insights are gained into the tidal nature of enthusiastic movements the role of itinerant preachers in the propagation of enthusiasm the routinisation of enthusiastic practices and the manner in which enthusiasm overcomes institutional denominational boundaries the study provides the foundation for future investigation of the manner in which enthusiastic experience is presented for apologetic purposes the relationship between exorcism deliverance ministry and millenarianism and the practice of this rite within non western churches

in his latest book one big box of paranormal tricks from ghosts to poltergeists to the theory of just one paranormal power john fraser reflects on his motivations for involvement in paranormal research from an early age recalling his experiences to date the people who have influenced him and the conclusions he s come to whilst fraser refers to events in his life this book is not a memoir or life story in any conventional sense it s presented as a meditation on what the paranormal might mean for us in our universal quest to give our lives meaning one big box of paranormal tricks takes more of a zen the art of spending a night in a haunted house approach than an autobiographical one

demons nightmares with the bible views demons through two lenses that of western religion and that of cinema sketching out the long fear of demons in western history including the bible steve a wiggins moves on to analyze how popular movies inform our beliefs about demonic forces beginning with the idea of possession he explores the portrayal of demons from ancient mesopotamia and the biblical world including in select extra biblical texts and then examines the portrayal of demons in popular horror franchises the conjuring the amityville horror and paranormal activity in the final chapter wiggins looks at movies that followed the exorcist and offers new perspectives for viewing possession and exorcism written in non technical language this book is intended for anyone interested in how demons are perceived and how popular culture informs those perceptions

in 2013 an apparently simple back to basics scary movie transformed horror cinema for the rest of the decade based on the allegedly true story of the perron family haunting and subsequent investigation by ghost hunters ed and lorraine warren the conjuring has to date spawned six sequels and prequels making up a conjuring universe that has taken over a billion dollars around the world the new york times called the conjuring a fantastically effective haunted house movie which following his earlier film insidious established director james wan as a force in horror cinema in this devil s advocates horror scholar kevin wetmore examines

what elements in the film are truly terrifying how the filmmakers claims of being based on a true story hold up against the actual history of the haunting and the warrens and the relationship between the conjuring and the many films in its universe along the way this book also considers how games toys and dolls play an important role in the series offers a critique of gender roles in the films and asks the question what is actually conjured in the conjuring the delightful result is an in depth close reading of a film that uses standard horror tropes masterfully to create a truly scary film

kirkus reviews best book of the year this witty engaging analysis of female monsters in pop culture offers provocative and incisive commentary on society s fear of female rage and power soraya chemaly author of rage becomes her women have always been seen as monsters men from aristotle to freud have insisted that women are freakish creatures capable of immense destruction maybe they are and maybe that s a good thing sady doyle hailed as smart funny and fearless by the boston globe takes readers on a tour of the female dark side from the biblical lilith to dracula s lucy westenra from the t rex in jurassic park to the teen witches of the craft she illuminates the women who have shaped our nightmares serial killer ed gein s domineering mother augusta exorcism casualty anneliese michel who starved herself to death to quell her demons author mary shelley who dreamed her dead child back to life these monsters embody patriarchal fear of women and illustrate the violence with which men enforce traditionally feminine roles they also speak to the primal threat of a woman who takes back her power in a dark and dangerous world dead blondes and bad mothers asks women to look to monsters for the ferocity we all need to survive some people take a scalpel to the heart of media culture sady doyle brings a bone saw a melon baller and a machete andi zeisler author of we were feminists once
