this outline is intended as a study guide for readers interested in rudolf steiners the philosophy of freedom it reproduces the main contents of each chapter in concentrated form for the purposes of individual reflection each one has been recast as a single leading thought

house of lords reform is often characterised as unfinished business a riddle that has been left unanswered since 1911 but rarely can an unanswered riddle have had so many answers offered even though few have been accepted indeed when viscount cave was invited in the mid 1920s to lead a cabinet committee on lords reform he complained of finding the ground covered by an embarrassing mass of proposals that embarrassing mass increased throughout the twentieth century much ink has been spilled on what should be done with the upper house of parliament much less ink has been expended on why reform has been so difficult to achieve this book analyses in detail the principal attempts to reform the house of lords starting with the parliament act of 1911 the book examines the century of non reform that followed drawing upon substantial archival sources many of which have been under utilised until now these sources challenge many of the existing understandings of the history of house of lords reform and the reasons for success or failure of reform attempts

the book begins by arguing against the popular idea that the 1911 act was intended by its supporters to be a temporary measure no one peers included should be allowed to pronounce about the future of the house of lords without reading chris ballinger s authoritative shrewd and readable account about reform attempts over the past century he punctures several widely held myths and claims in the current debate rt hon peter riddell cbe director institute for government and former hansard society chair this is at once an impeccably researched academic study and a thoroughly readable account loaded with lessons for today s would be lords reformers lord david lipsey
